## COMPANY PROFILE AND CAPABILITIES

**D**Lytle & Associates, LLC (DLA) is an emerging, minority - owned firm specializing in infrastructure design, management and construction. DLA has extensive experience in what it takes to deliver a project from the initial purpose and need, to the final ribbon cutting. At DLA we realize a successful project just doesn't happen. We strive to bring our experience, talent and success management strategies to each project, to ensure success.

DLA's staff of experienced professionals in the industry have vast, long standing relationships with government bodies, consulting firms and contractors. We have the integrity, capability, proven staff and trusted experience to assist our clients on their projects.
